13 **ORDER**

14  
15 Pending before this Court is Petitioner Luis Fernando Ramirez-Valdez'  
16 ("Petitioner") "Motion to Vacate and Correct Sentence Pursuant (sic) Under 28 U.S.C.  
17 2255" ("Motion"). For the reasons set forth below, Petitioner's Motion is denied.

18 **I. BACKGROUND**

19 On September 15, 2004, Petitioner was indicted on the following four (4) counts:  
20 Conspiracy to Possess with Intent to Distribute Marijuana, in violation of 21 U.S.C. §§  
21 841(a)(1) and (b)(1)(B)(vii); Possession with Intent to Distribute Marijuana, in violation  
22 of 21 U.S.C. §§ 841(a)(1) and (b)(1)(B)(vii); Conspiracy to Import Marijuana, in  
23 violation of 21 U.S.C. §§ 952(a), 960(a)(1), 960(b)(2)(G), and 963; and Importation of  
24 Marijuana, in violation of 21 U.S.C. §§ 952(a), 960(a)(1) and (b)(2)(G). On March 24,  
25 2005, pursuant to a plea agreement with the government, Petitioner pled guilty to  
26 Possession with Intent to Distribute 100 Kilograms or More but Less than 1000  
27 Kilograms of Marijuana, a Class B Felony offense.  
28

1 In the plea agreement, Petitioner expressly waived his right to appeal and his  
2 right to collaterally attack his conviction and sentence. (document 18) Petitioner  
3 acknowledged that if he appealed or collaterally attacked his conviction or sentence, he  
4 could be found in breach of the plea agreement and the government could withdraw from  
5 the agreement. (*Id.*)

6 On June 7, 2005, Petitioner came before this Court for sentencing. At sentencing,  
7 pursuant to the recommendations contained in the Presentence Report, as well as  
8 sentencing range contained in the plea agreement, this Court sentenced Petitioner to 30  
9 months imprisonment. (document 23)

10 Petitioner filed the present Motion on August 15, 2005.

## 11 **II. PROCEDURE**

12 Pursuant to 28 U.S.C. § 2255, a collateral attack on a sentence should be  
13 presented to the court which imposed the allegedly improper sentence. 28 U.S.C. § 2255.  
14 According to Rule 4(a) of the Rules Governing Section 2255 Proceedings, the motion  
15 *shall* be directed to the judge who sentenced the petitioner. Rule 4(a), Rules Governing  
16 Section 2255 Proceedings. Therefore, as the Court which imposed Petitioner's sentence, it  
17 is appropriate for this Court to consider Petitioner's Motion.

18 Ordinarily, a court must conduct a hearing on a petition unless it "and the files  
19 and records of the case conclusively show that the petitioner is entitled to no relief ...." 28  
20 U.S.C. § 2255. The Motion in this matter, as well as the files and records, do  
21 conclusively establish that Petitioner is not entitled to relief. *See Shah v. United States*,  
22 878 F.2d 1156, 1159 (9th Cir. 1989). Hence, no hearing is required to rule on the present  
23 Petition. For the same reasons, this Court does not require a response to the Petition from  
24 the United States Attorney. 28 U.S.C. § 2255.

### III. DISCUSSION

#### A. Waiver of Right to Collateral Review

Petitioner pled guilty. As part of his plea agreement, Petitioner waived any and all motions, defenses, probable cause determination, and objections to the indictment or the Court's entry of judgment or imposition of sentence. (document 18) Petitioner further waived any right to appeal the Court's entry of judgment against his; any right to appeal the imposition of sentence upon his; and any right to collaterally attack his conviction and sentence under 28 U.S.C. § 2255, or any other collateral attack. (*Id.*) As part of his plea agreement, Petitioner acknowledged that the waiver of his rights would result in the dismissal of any appeal or collateral attack he might file challenging his conviction or sentence. (*Id.*) Petitioner indicated in his pleas that he had discussed the terms with his attorney, that he agreed to the terms and conditions, and that he entered into it voluntarily. (*Id.*)

On June 7, 2005, the Court held a hearing and specifically questioned Petitioner whether he understood that he was waiving his right to appeal to a higher court or to collaterally attack the conviction or the sentence as long as the sentence was consistent with the plea agreement. Petitioner replied, under oath, that he understood. Petitioner also indicated that he had an opportunity to discuss the agreement with his attorney, that he had no questions about it, and that he entered into it voluntarily. Petitioner also indicated that he understood that the sentencing guidelines were advisory in light of *United States v. Booker*, 125 S. Ct. 738 (2005). The Court accepted the plea as made knowingly, intelligently and voluntarily. (document 23)

Plea agreements are contractual in nature and their plain language will generally be enforced if the agreement is clear and unambiguous on its face. *United States v. Jeronimo*, 398 F.3d 1149, 1153 (9th Cir. 2005). For example, a waiver of appellate rights

1 is enforceable if the language of the waiver encompasses the right to appeal on the  
2 grounds raised and the waiver is knowingly and voluntarily made. *Id.*

3 A defendant may waive the statutory right to bring a § 2255 action challenging  
4 the length of his sentence. *United States v. Pruitt*, 32 F.3d 431, 433 (9th Cir. 1994);  
5 *United States v. Abarca*, 985 F.2d 1012, 1014 (9th Cir. 1992), *cert. denied sub nom.*  
6 *Abarca-Espinoza v. United States*, 508 U.S. 979 (1993). The only claims that cannot be  
7 waived are a claim that the waiver itself was involuntary or that ineffective assistance of  
8 counsel rendered the waiver involuntary. *See Pruitt*, 32 F.3d at 433 (expressing “doubt”  
9 that a plea agreement could waive a claim that counsel erroneously induced a defendant  
10 to plead guilty or accept a particular part of the plea bargain), *Abarca*, 985 F.2d at 1014  
11 (expressly declining to hold that a waiver forecloses a claim of ineffective assistance or  
12 involuntariness of the waiver); *see also Jeronimo*, 398 F.3d at 1156 n.4 (summarizing  
13 *Pruitt* and *Abarca*, but declining to decide whether waiver of all statutory rights included  
14 claims implicating the voluntariness of the waiver).

15 Petitioner’s claim does not fit this exception. While Petitioner does claim that  
16 counsel was ineffective, the assertions underlying his contention all pertain to sentencing  
17 and do not pertain to the voluntariness of the waiver. Petitioner expressly waived issues  
18 regarding the imposition of sentence and expressly waived a § 2255 action. The Court  
19 accepted his plea as voluntarily made. *Compare United States v. Nunez*, 223 F.3d 956,  
20 959 (9th Cir. 2000) (waiving appeal of sentencing issues also waives the right to argue on  
21 appeal that counsel was ineffective at sentencing), *cert. denied*, 534 U.S. 921 (2001).  
22 Consequently, the Court finds that Petitioner waived the sentencing issues raised in his §  
23 2255 motion. Because the issues cannot survive even if Petitioner were permitted to  
24 amend his grounds, the Court will summarily dismiss the action as plainly without merit.

1 **IV. CONCLUSION**

2 Upon review of the record in this case, the Court finds that Petitioner's Motion is  
3 subject to summary dismissal because the claims fall within the scope of the appeal rights  
4 Petitioner waived in his plea agreement, which was made knowingly and voluntarily.

5 **Accordingly,**

6 **IT IS ORDERED** that Petitioner Luis Fernando Ramirez-Valdez' ("Petitioner")  
7 "Motion to Correct and Vacate Sentence" (CR 05-029, document 24) is **DENIED**.

8 **IT IS FURTHER ORDERED** that Civil case number CV 05-525-TUC-DCB is  
9 **DISMISSED** with prejudice and the Clerk of Court shall enter judgment accordingly.

10 DATED this 21<sup>st</sup> day of September, 2005.
